About the Property:

Great location, just minutes to Beverly Hills or Sherman Oaks. This entertainers home is a light & bright architectural masterpiece designed by Marshall Lewis AIA. Featuring 25' ceilings, step down living room with fireplace, Chef's kitchen with 2 large pantries, wood floors throughout, built in cabinetry, elevator, gym and wine cellar this home won't disappoint. The master en-suite features a step down sitting area with fireplace, 2 large walk in closets and spa bathroom with dual vanities, soaking tub & separate custom tile shower. Beautiful canyon views can be seen from various windows and balcony. Low maintenance gated private backyard, 2 car garage and ample street parking. Lot is large enough to add a pool and current owner had pool plans drawn up. This home is move in ready! *3D Tour available upon request*
